REGULATIONS

11-14 OTTOBRE 2018

MYTH SPECIAL REGULATIONS

Reference for what is not mentioned in these regulations is in the General Event Regulations.

1. ADMITTED CARS – TIRES – CARS' SAFETY

1.1 Only expired homologation cars built from 1986 to 1998 are admitted.

The homologation fiche will be reference basis (there included variants) both for mechanics and for electronics and thus also for any possible supercharging to the year of construction of the car involved. Cars will need faithfully and integrally respect all the original features of the reference model, except for cars belonging for technical characteristics and administrative documents to the GF FAMS Group, which will follow the FAMS technical regulations. Any change to the cars also due to fiches' variants issued after the homologation of the single car will imply non-admission to the competition.

1.2 Tires

- 1- All cars entered and participating in the 16th RALLYLEGEND MYTH must be equipped for the whole duration of the event with PIRELLI tires approved according to the current FIA Regulations with specific reference to the car's racing documents. The type and compound of these tires are free. In the case of a car with racing documents of historical category, it is compulsory to use PIRELLI P7CORSA CLASSIC tires
- 2- Each competitor must buy for each car entered at least one set of four PIRELLI tires by the official supplier **GUALANDI RACING, phone +378 0549 963259 – mobile +39 335 401924 – email info@gualandiracing.sm .**
- 3- For the whole duration of the rally, must displayed on the car from 2 to 4 PIRELLI stickers placed on the car corners, as indicated by the organizer.
- 4- In addition to the tires to be purchased compulsorily, competitors are allowed to mount PIRELLI tires also previously bought from another supplier but only with valid FIA homologation at the rally date.
Rally Officials will check the tires.

In case the car mounts or carries tires of different brand from PIRELLI the following sanctions will apply:

- First infringement penalty 60 seconds
- Second infringement penalty 120 seconds
- Third infringement exclusion from the rally without the possibility of re-admission

1.3 Pirelli Jump in the Legend Trophy

A jury of specialists will judge the best passages in some spectacular points of the rally course of Special Stage "The Legend 1" to be run on Saturday 13th October 2018.

A single ranking with the sum of the points achieved in different points of the selected Stage will be drawn up. This classification is reserved to the crews, whose cars mount Pirelli tires, of the three competing categories: Historic, Myth and WRC.

Awards:

- 1st a set of tires PIRELLI + 2 official jackets Rallylegend
- 2nd a set of tires PIRELLI + 2 official Rallylegend shirts
- 3rd a set of tires PIRELLI + 2 official Rallylegend polo shirt

Prize-giving on Sunday, October 14th on the arrival podium

1.4 Cars will follow the following subdivision into classes, independently from original groups/classes:

Class M1	up to 1300 cc.
Class M2	from 1301 to 1600 cc
Class M3	from 1601 to 2000 cc
Class M4	over 2000 cc
Class M5	4WD cars (any cc. four-wheel drive cars) built until 31.12.1991
Class M6	4WD cars (any cc. four-wheel drive cars) built from 01.01.1992 until 31.12.1998

1.5 Required documents: Original fiche and/or technical passport

1.6 Regardless of what was foreseen by previous provisions, the organiser keeps the faculty of rejecting at his own final judgment cars that do not reflect the spirit of the event in their technical features. Any such decision should not be justified.

1.7 At the moment of entering the event, car's compliance with the original fiche must be declared, and in particular (except for cars belonging to the GF FAMS Group):

- Fitting (body, rims, tires, inside cockpit, etc.)
- Processing
- cylinder capacity

- compression ratio
- air restrictor

1.8 SAFETY FEATURES OF THE CARS

1.8.1 Safety cage /roll cage

Safety cage/Rollcage is compulsory. Cars mounting a safety cage/roll cage in origin have to keep it, at least with the same specifications or with higher specifications, than at their time. The use of a roll cage guaranteeing an adequate protection level is in any case mandatory. When mounting a safety cage/roll cage, rear seats can be removed.

Aluminium safety cages/roll cages are forbidden, unless they are not an integrating and unchangeable part of the original car structure (for ex. Porsche Carrera 6, 908, 917).

1.8.2 Fire-extinction

All cars have to be equipped with at least a hand fire extinguisher compliant with art. 253.7.3 of the Appendix J of the existing COD FIA. The hand fire extinguisher has to be charged, properly fixed, that means fixed with two wire straps with quick release, in addition to side protections. It is in any case highly recommended to have a homologated FIA extinction system, in compliance with Art 253.7.2 of Appendix J COD FIA, with the manufacturing year shown.

1.8.3 Safety belts

Car set up with safety belts compliant with Art. 253.6 of existing Appendix J is compulsory. In the two-abdominal-straps and two-shoulder-straps setup, two junction points with the car body must be there and two, or even better one single junction point in symmetrical position with respect to the seat must be there for shoulders belts. Safety belts cannot be modified in any way. Two cutters for belts, properly fixed, must be onboard throughout the running of the whole rally; they must be easily accessible to driver and co-driver wearing seat belts.

1.8.4 Helmets and clothing

Helmets – The use of homologated FIA helmets is compulsory for both crew members. During scrutineering the FIA homologated helmets to be used for the rally have to be in the car. **“HANS” system is compulsory.**

Clothing – Crew members have to wear safety protection FIA homologated clothes during special stages running (fire fighting suit, balaclava, gloves, etc.) Fire resistant underwear is not compulsory.

1.8.5 Seats

Seats appearing in the fiche referring to the homologation of the time are allowed if they are in good conditions and in the original safety conditions. Original front seats can be changed only with seats compliant with original specifications or with modern seats with a valid FIA homologation. The latter are in any case warmly recommended on all cars.

1.8.6 Tanks

For all cars built before 1986 fuel tank is free and can be provided with safety foam in compliance with US Military Specifications MIL-B-83054 (shielding material) or with anti-explosion systems “DSTOP”. The safety tank in compliance with requirements of Art. 253.14 of Appendix J (Safety Fuel Tanks approved by FIA) is recommended.

Cars built after 1987 must have the safety tank. The safety tank in compliance with requirements of Art. 253.14 of Appendix J (Safety Fuel Tanks approved by FIA) is recommended. Fuel systems without electric or mechanical pump must have a clearly signalled circuit closing devise.

1.9 All crews must sign a declaration in which they take responsibility for:

- conformity of the car with the original technical and safety characteristics
- the use of safety protection clothing in correspondence with what is stated in these regulations

1.10 Upon decision of the Stewards following Scrutineers report, cars not complying with safety measures will not be admitted. Protests and/or appeals on this matter are not allowed.

2. RESULTS

One single final classification and class classifications including all the admitted groups will be published.

3. PRIZES AND CUPS

The first three crews of the general classification must wear the official PIRELLI cap on the podium.

The following honor prizes will be awarded:

- from 1st to 10th of General Classification
- to the first two crews of each class
- to the first ladies crew

2. DESCRIPTION – ITINERARY – SERVICE AREAS

2.1 – The 165th RALLYLEGEND will take place during the days 11/12/13/14 October 2018, starting on 12th October 2018 and finish in San Marino on 14nd October 2018.

The attached time/distance card is integrated part of this Special Regulations (Appendix 1).

2.2 - Reconnaissance of the route is admitted after road-book and reconnaissance form withdrawal following the times indicated in the programme and the dispositions of a specific bulletin.

2.2.1 - Reconnaissance is authorised only on road homologated cars and in the full respect of the road code.

Max 2 passages for each single stage will be allowed. "Relay" cars preceding recce cars and radio connections on recce cars are forbidden.

2.2.2 - Reconnaissance made in the period before authorised reconnaissance or out of their given schedule will be considered a very serious infringement and will imply the immediate exclusion from the entry list without any reimbursement of the entry fee.

2.2.3 - Reconnaissance rules and road code infringements found by law and order police, FAMS Officials or by organisation staff will be punished both with money sanctions (minimum fine € 500,00) and with time penalties (60 seconds) to be added to the final time. This sanction will be imposed by the Clerk of the Course, without right of appeal.

2.2.4 - In case of serious infringements, the competitor can be remitted to his National Sporting Authority following the licence's nationality. Payment of the sanctions indicated under this article will need to be made before the start of the race; otherwise, the competitor will not be admitted to the rally.

2.2.5 – From the moment of the publication of these regulations and of the rally map on the official website of the event, the organiser will exercise checks on the rally course through personnel in possession of written proxy released by the organiser. Any reconnaissance not allowed can be notified also through personal acknowledgement by the staff used for checks or verification on plates connected for ownership or simple use to entered competitors or competitors in possession of racing licence. In this case, the organiser will point out the facts to FAMS for the due provisions.

2.2.6 – Service

No service park will be arranged. Service operations on cars during the rally can be carried out 500 metres before or after every Special Stage start/finish. From 00.01 a.m. of Thursday 11th October 2018 to the end of the event, the halt of service vehicles, simple support cars or caravans of the competitors is absolutely forbidden both in via Rancaglia, Strada La Ciarulla, Strada Costa del Bello, Strada Bolumina and in the immediate surroundings of the San Marino Sport Domus Multieventi in Serravalle (rally headquarter), except with special authorization of the Organizing Committee. Infringements to this rule will cause forced removal of the vehicles parked with expenses for the owner and a fine of 500,00 Euro charged to the competitor involved.

2.2.7 Service between the Days

2.2.7.1 At the end of each Day the cars must be driven to the park Fermé inside the Olympic Stadium of Serravalle at the following times:

- Friday October 12th before 02:30 (of 13.10.2018)
- Saturday October 13th before 22:00

11-14 OTTOBRE 2018

2.2.7.2 Alternatively, cars may enter WITHOUT PENALTIES in the park Fermé inside the Olympic Stadium of Serravalle the following morning at the following times:

- Saturday October 13th from 07:30 to 08:30
- Sunday October 14th from 08:00 to 08:30

2.2.7.3 Any delay of Park Fermé entry scheduled times, as shown at art. 2.2.7.2, will be penalized at Stewards discretion

3. ADMITTED CARS

See Regulations of each race.

4. COMPETITORS AND DRIVERS

The event is entered in the Calendar of international events. The following will be admitted:

- competitors and drivers with FAMS and ACI Sport license
- competitors and drivers with license issued by a foreign ASN. Foreign drivers (with the exception of drivers with ACI Sport license) must have the authorization of their ASN (the National Sporting Authority that issued the license). The absence of the document is an infringement of art.2.3.10 and 3.9.4 of International Sporting Code and implies sanctions.

The following licenses are requested:

- C National for cars up to 2000cc
- C or R International for cars over 2000cc

For turbo cars up to 1400cc C National license is accepted. For turbo cars over 1400cc C International license is requested. Both drivers must be on the car at any moment of the event. They must hold, for all categories, a valid sporting license for the current year (or especially issued for the event by FAMS) and hold a driving license and a medical sporting agonistic certification.

5. ENTRY FORM

Entries to the event must reach the Organising Secretariat of "16th Rallylegend 2018" Zeromille at FAMS Via Giangi, 66 47891 Dogana - Republic of San Marino Tel. +39 339 5478180 within 20.00 of 17th September 2018.

One 3/4th picture of the car must be sent with the entry form.

Invitation to the event is related to the model and the characteristics of the car entered.

Any differences between the car entered and the car presented or any change of the car after entry list publication will have the possibility of causing the exclusion from the event.

6. ENTRY

6.1 Entry fee is € 1.200,00 and includes buffet during the race and gadgets. Entry fees of competitors who have not been admitted to the rally will be reimbursed after the event at the latest within 30th November 2018.

6.2 A total number of 160 crews are admitted to the event, invited by the organisation among all the competitors which will have regularly sent entry forms completely filled in. The following competitors will have priority:

- competitors enrolled with foreign crews
- competitors enrolled with sporting history-valued cars which can be demonstrated by pictures, reportages, declarations of the past drivers etc.
- competitors enrolled with original-livery cars.

6.3 The Organising Committee declines all liability for any infraction of laws or regulations caused by the competitor who will suffer all consequences towards competent authorities.

6.4 The Organising Committee declines liability for any accident caused to competitors and crews during the whole duration of the event, even in case of natural disaster, riots, demonstrations, vandalism etc. or any damages to the crews or the entered car. All consequences (material, legal or sporting) must be suffered by the competitor.

7. STARTING ORDER – PLATES NUMBERS

- 7.1 The rally numbers, binding for starting order, will be allocated by the Organising Committee
- 7.2 The start order of Day 2 will be same of Day 1. The start order of Day 3 will follow the results of day 2, with possible repositioning of the Rallylegend priority drivers at Race Control discretion. Competitors are invited to check the Starting Order published Saturday October 13th at 21.00.

8. TIME CARD – CONTROL PROCEDURES

- 8.1 - Each crew will receive a time card on which the target times to run the different sectors and the special stages will appear.
- 8.2 - The start will be given at the minute.
- 8.3 - The Special Stage start will be given to the car stopped on the starting line with the engine on.
- 8.4 - When the car with the crew on board will stop at the start control, the timekeeper, after registering the start time on the time card, will return it to the crew and will announce aloud -30", -15", -10" and the last 5" one by one. At the "GO" ("VIA") signal the car will have to leave immediately.
- 8.5 - Stopping on the starting line for more than 20 seconds will be penalised with 60 seconds penalty. A delay of more than one minute will not be accepted.
- 8.6 - Early start will be penalised by a forfeit 10" penalty to be added to the special stage time together with the seconds anticipated by the competitor.
- 8.7 - Finish of special stage will be flying and calculated by a photocell or by manual timekeeping system.
- 8.8 - The time will be calculated at the tenth of the second.
- 8.9 - The competitor must stop at STOP Control to allow the registration on the time card of the special stage time and any penalty.
- 8.10- During Special Stages the crew must wear FIA homologated helmets, keep harnesses fastened, wear homologated safety clothing (fire resistant suit, balaclava, gloves, etc.) conform to FIA international regulations.

9. ADVERTISING

Advertising on the cars will be limited to a total 50x14 cm. below and above the competition numbers. On those cars on which sides the above mentioned adverting cannot be fixed, it is allowed to fix them on the immediate sides on the right or on the left of the competition numbers.

10. STARTING PARK

The crews, once they have passed pre-rally scrutineering, will drive their cars to the starting park inside the Olympic Stadium of Serravalle, driving their cars through the Rallylegend podium, on October 12th 2018 from 12.30 to 14.30. Late entrance to the starting park will be sanctioned at Stewards' discretion.

11. CONTROLS GENERAL PRESCRIPTIONS

- 11.1 The target time to drive the distance between two time controls will be printed on the Time Card.
- 11.2 All controls: time controls, start, finish, stop control will be pointed out by FIA standard panels.
- 11.3 The beginning of the control zone will be indicated by a yellow control warning panel, the control point will be shown by a red panel. The end of the control zone, some meters forward, will be shown by a final beige panel with three black stripes.
- 11.4 All control zones (zones between the first yellow warning sign and the final beige board) are considered as parc fermé.
- 11.5 It is strictly forbidden, under pain of exclusion from the rally, to enter a control zone from a different direction from that envisaged by rally itinerary.

12. EVENT PROCEDURES

Control procedure:

- 12.1 Control procedure begins at the moment the car passes through the control zone entry panel and ends at the moment the car passes through the end of control area panel. Within this area, any action on the car is strictly forbidden.
- 12.2 Between the yellow entry panel and the control point (red panel) the crew is forbidden to operate rear manoeuvres. Infractions remarked by the post marshals will be sanctioned up to the exclusion from the classification.
- 12.3 The passage time will be the minute when the crew will pass the control time line.
- 12.4 The timekeeper will write on the time card the real time of passage in hours, minutes and seconds.
- 12.5 The ideal time is the time obtained adding the target time to route the sector to the leaving time from it.
- 12.6 Any difference between the real time and the ideal time will be penalised as follows:
- 12.7 For delay - 10 seconds for each complete minute.
- 12.8 For early check in - 1 minute for each complete minute.
- 12.9 The passage time written on the time card is the arrival time at the starting time of the following sector.
- 12.10 The time limit for delay at a time control is 15 minutes. The crew that will pass a time control point 15 minutes late with respect to the last crew regularly passed, will be considered excluded.
- 12.11 Super-Rally-Legend Formula:** the crews withdrawn during a day will be allowed to start the following day. Competitors will need to present a written request to the Clerk of the Course to take part to the Super-Rally-Legend Formula 60 minutes before each day's partial unofficial results posting. The car must enter the parc fermé 60 minutes before the start of the first crew of the following day, in order to be submitted to the Scrutineers and found in conformity with safety and technical rules. If a competitor retires after the last Special Stage, in order to be readmitted with the Super-Rally Formula, he will be considered as having not rallied the last stage.
In order to be included back again into race, the following penalties are foreseen, for every non-rallied stage:
 - i. a fixed penalty of 3 minutes
 - ii. a penalty of 5 seconds for every kilometre on the whole length of the non-finished/non-rallied special stage (rounded up to) compared to the best class time of belonging or to the class immediately higher, if their own class is made up of one crew only

12.12 Chicanes

All chicanes are indicated on the asphalt during reconnaissance by yellow varnish, signaling the extreme part of every barrier. The fall, the sole movement or the voluntary leap of a chicane or of just one barrier, will entail the following for the responsible driver:

- 20 seconds penalty for the first infraction
- 60 seconds penalty for the second infraction
- 120 seconds penalty for the third infraction
- The exclusion from the rally for the fourth infraction

13. PROTESTS – APPEALS

All protests must be presented in written form to the Clerk of the Course with the sum of € 1.000,00, which will not be refunded if the protest will be judged even partly inapplicable.
For any appeal to FAMS, appeal fee of € 3.000,00.

14. GENERAL PRESCRIPTIONS

14.1 The event is organized in conformity with the International Sporting Code and its appendixes.

With the entry the competitor:

- declares to know - committing himself to respect and make respect - the International Sporting Code and its appendixes, FAMS's and these special regulations' prescriptions.

- declares to withdraw from any responsibility FAMS, the Organizers, the officials, the road owners in case of accidents occurred to himself, the crew members and employees or in case of material damages.

14.2 Sunday 14th October at the end of the rally cars will be driven to the final parc fermé inside the Olympic Stadium at disposal for possible Scrutineering ex-officio or upon protest until 30 minutes after the time of the final results.

During these 30 minutes, the competitors must be available by phone.

Cars and/or competitors found not at disposal of the race control will be excluded from the rally with report to the FAMS for any further penalisation. Cars can be submitted to Scrutineering at any moment of the event, dismantling and re-mounting fees will be at the charge of the competitor scrutinized.

14.3 Special Stage "The Legend"

a) Marshals will use a WAVING BLUE FLAG to warn the drivers of an overtaking speeder car arriving. The driver must allow the overtake at the first occasion, if necessary driving slower. Infractions will be sanctioned upon information of the Clerk of the Course at the Stewards' discretion.

b) in some parts of the Special Stage **OVERTAKING IS FORBIDDEN** as shown in the attached map (Appendix B). Infractions will be sanctioned upon information of the Clerk of the Course at the Stewards' discretion.

15. SHAKEDOWN

15.1 All competitors have the possibility to run a test with race cars (shakedown) on Friday October, 12th 2018 starting at 10.00 am till 14.00 in San Marino (RSM) by "I Laghi" with the following schedule:

- 10.00 – 12.00 session reserved to seeded Rallylegend priority competitors
- 12.00 – 14.00 session open to all competitors entered to Shakedown

15.2 The route is about 2.400 meters. A maximum number of 5 passages is foreseen.

The shakedown fee is € 150,00 (VAT included), to be paid directly with the entry fees.

16. RESULTS

16.1 Penalties will be given in time. Final results will be obtained by adding the times of the Special Stages with the time penalties at time control points and to the other time penalties.

16.2 In case of ex-equo, the competitor with the best time in the first special stage will be proclaimed winner. If this is not enough, the times of the second, third stage etc. will be taken into consideration.
