

PRESS RELEASE nr. 10

3rd October 2020

**JEAN TODT, PRESIDENT OF THE INTERNATIONAL AUTOMOBILE FEDERATION:
"I AM HERE TO BE CLOSE TO RALLYLEGEND ORGANIZERS
IN THIS DIFFICULT MOMENT. BEAUTIFUL ENVIRONMENT AND ATTENTION TO SAFETY".**

Republic of San Marino. Jean Todt, President of the International Automobile Federation, wanted to be present in the Republic of San Marino for RallyLegend. After visiting the Rally Village and attending the start on Friday evening, accompanied by an important representative of San Marino Government and the Organizers, Todt explained the reasons for his visit to RallyLegend:

"I am here, as President of the FIA, to thank and express my closeness to all those who have made it possible to organize RallyLegend, in such a difficult moment, with the Covid19 virus that has invaded the planet. An important signal. I have a particular bond of affection with the Republic of San Marino, of which I am Ambassador, as well as having been, for many years, Honorary President of the San Marino Automotoristic Federation. I visited the Rally Village, where I met many legendary drivers and saw many beautiful cars that reminded me of my past as a world Rally co-driver. Then I saw a lot of enthusiasm and passion in the present audience. In short, a really beautiful environment. I then inquired about the safety of the special stages, where the presence of Michèle Mouton, as FIA Inspector for safety, a role she plays in the World Rally, gives ample guarantees of professionalism and seriousness in the evaluation of the work done, with particular care, by the Organizers, as I was told".
