

**PRESS RELEASE no. 1**

7 June 2020

**RALLYLEGEND 2020 WANTS TO GO ON STAGE AND CONFIRMS ITS DATE: FROM 8 TO 11
OCTOBER
THIS WILL BE THE EIGHTEENTH EDITION OF THE RALLY FESTIVAL**

Republic of San Marino. The decision, not an easy one, has been made after some serious consideration. Rallylegend no. 18 will take place. The date, that has now become the traditional collocation of the “international rally festival”, from 8 till 11 October, is confirmed. An event for which, this year more than ever, many enthusiasts, fans, champions and drivers almost feel the need.

“It’s true, – confirm Vito Piarulli and Paolo Valli, the creators of Rallylegend – since many months we are pleasantly overwhelmed by requests and friendly incitements to stage Rallylegend. And this has happened even more during these last, heavy pandemic months. It took us a long time to decide what to do, considering the many restrictions and duties involved in the organization of an international event such as Rallylegend in compliance with the government instructions concerning Covid-19 epidemiologic emergency control. But above all waiting to have clearer regulations and rules on how street races should be carried out. The support we’ve received both from the Government of the San Marino Republic and our sponsors have been crucial to us to decide to attempt such a feat”.

The format and all contents of Rallylegend 2020 are now being studied as the organizers would like to stick as much as possible to the original formula, without turning down events, meetings and celebrations inside Rallylegend Village, that will have to be redesigned according to the antivirus regulations.

The presence of the public mainly coming from all over Europe and beyond, true cornerstone of Rallylegend, will be adjusted and managed according to the development of the situation and relevant San Marino government regulations.
