**FORD ITALIA SUPPORTS RALLYLEGEND 2020,
AN ACTIVE PARTNER THAT WILL UNVEIL AN EXCITING NEW PRODUCT IN SAN MARINO.
FRANCOIS DELECOUR, FRANCO CUNICO, MIKI BIASION ARE THE FIRST BIG NAMES IN THE LINE-UP**

Republic of San Marino. Rallylegend 2020 is rapidly approaching as work continues in preparation for the eighteenth edition. Zeromille and REW Events work tirelessly on the organization, with the collaboration of FAMS San Marino Automobile Federation, of the CONS San Marino National Olympic Committee and make use of the prestigious and important patronage of the Secretariat of State for Tourism and the Secretariat of State for Work and Sport of the Republic of San Marino.

As is customary, things really heat up in the weeks preceding the event, with fans from around the world keenly awaiting news of the schedule, new features, champions and cars that will enliven the four days of Rallylegend.

FORD ITALIA SUPPORTS RALLYLEGEND 2020 AND WILL PRESENT A NEW PRODUCT IN THE FORD PERFORMANCE RANGE

Ford is among the prominent protagonists of Rallylegend 2020, thanks to the presence of the WRC M-Sport team, which runs the Fiesta WRC in the World Rally Championship, the spectacular Ken Block, with his Ford Escort Cosworth "Cossie" and others great champions in cars from the American manufacturer. The Blue Oval, immediately entering the Rallylegend spirit, has planned an active participation and will preview a new product in Ford Performance range, visible at its own stand inside Rallylegend Village, open to the public of enthusiasts.

FRANCOIS DELECOUR, FRANCO CUNICO, MIKI BIASION ARE THE FIRST BIG NAMES TO JOIN THE LINE-UP

French champion and former official Ford and Peugeot driver **Francois Delecour** returns to Rallylegend. Runner up in the 1993 World Rally championship with the Escort Cosworth, and an eight-time top ten finisher in World Rally between 1991 and 2001, Delecour will compete in the WRC-RGT category with the intriguing new **Alpine A110 RGT**, a modern version of the legendary rally car produced from 1962 to 1977, with which it shares many details.

Also back again is **Franco Cunico**, who is joined by **Gigi Pirolo** as navigator, this time aboard the Ford Sierra Cosworth 4X4. It was with a Ford, or rather the Escort Cosworth, that Cunico left his mark in 1993 when he won the Sanremo World Rally. His other achievements include three Italian all-round titles, three group N and one Group B titles, two Trofeo Terra wins along with other titles, and the 1979 Trofeo A112 with which he began his extraordinary career.

One fixed presence is **Miki Biasion**, a true Rallylegend enthusiast right from the early days. The two-time world rally champion and multi-titled European and Italian rally champion never ceases to amaze, and the 2020 edition promises another 'new-look' Biasion, as he lines up among the Legend Stars with a wonderful Lancia Stratos, a car with which he has never raced, adorned in Eberhard&Co colours.

But, as ever, the list of big names does not end here...
