30th JUHA KANKKUNEN ANNIVERSARY - EBERHARD&CO LEGEND EVENT: FIRST SPECIAL EVENT

He's one of the rallying greats and is among those to have scored the most world titles. Juha Kankkunen, a Rallylegend fan right from the early days, has four world titles to his name, achieved in 1986 (with the Peugeot 205 T16), in 1987 (aboard the Lancia Delta HF), in 1991 (Delta Integrale) and lastly, thirty years ago, with the Toyota Celica St185 4WD. To celebrate this last title, Rallylegend will present the 30th Juha Kankkunen Anniversary - Eberhard&Co Legend Event, an unmissable challenge between eight top drivers from the 1993 world championship, at the wheel of Group A vehicles from the time, which will involve two laps of The Legend stage, plus another special stage to be confirmed.
